DOVER LADIES LUNCHEON CLUB

Fiddle and Faff musical treat

The Dover Ladies Luncheon Club enjoyed entertainment from Fiddle and Faff

7 0 members of the Dover Ladies Luncheon Club were entertained at Dover town hall in September by musical duo Fiddle and Faff. Musicians, Christine Adams and Lissie

Bayford, perform music and songs drawn from the folk tradition, peppered with other influences.

Christine plays fiddle, accordion and the nychelarpa and sings harmony,

while musical partner Lissie sings and plays both the double bass and mandobass.

Together they give performances which are both entertaining and

engaging, greatly enjoyed by members.. Their set ranged from the lyrical and lovely, to the toe tapping and quirky and included both traditional and original works.
